RE: MTC TIP Revision No. 2011-11 – Administrative Modification

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2011 Federal Transportation Improvement Program (TIP). TIP Revision No. 11-11 revises 15 projects with a net increase in funding of \$650,402. Among other changes, this revision:

- Updates the funding plan of the Non-Motorized Transportation Pilot Program (NMTTP) for Marin County to add in \$398,902 in NMTTP earmark funds;
- Updates the air quality exemption codes for seven projects to reflect the project descriptions as approved by the Air Quality Conformity Task Force on July 28, 2011;
- Updates grouped listings for the Jobs Access and Reverse Commute (JARC) Small Urbanized Area and Rural Area Program to add \$400,000 in JARC funds and reduce Other Local funds by \$148,500, and to include a new back-up list.

The administrative modification is financially constrained and MTC relies on the State's federal programming capacity in the amount of \$1.5 million for the Earmark funds and \$400,000 in JARC funds programmed through this administrative modification. MTC will update the financial plan to reflect the additional revenues with the next amendment.

The TIP revision entries have been emailed to your staff. MTC's 2011 TIP, as proposed with Revision No. 11-11, would remain in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision would not interfere with the timely implementation of the Transportation Control Measures contained in the State Implementation Plan (SIP).

The projects that are included in this administrative modification are not included in any other amendment that is open for public review. MTC's 2011 TIP, including the proposed Revision No. 11-11, is consistent with metropolitan transportation planning regulations per 23 Code of Federal Regulations Part 450 and conforms to MTC's Regional Transportation Plan (Transportation-2035).

If you have any questions regarding this revision, please contact Sri Srinivasan of my staff at (510) 817-5793.

Sincerely,

Andrew B. Fremier
Deputy Executive Director, Operations
